SEE International's Grand Opening Celebration

September 27, 2018, Santa Barbara, CA – SEE International, a global vision care nonprofit based in Santa Barbara, hosted their Grand Opening Celebration this past September. This event celebrated the opening of the organization's new office space on Cremona Drive. The move represents a big shift for the nonprofit as it continues to grow its staff to accommodate its rapidly expanding domestic and international programs.

SEE hosted their Grand Opening of its new office suites on Wednesday, September 12th, with the Goleta and Santa Barbara Chamber of Commerce. Michael Bennet, a Goleta City Council Member, Kristin Miller, the Goleta Chamber President, and Ken Oplinger, the Santa Barbara Chamber President/CEO, directed the official ribbon cutting of SEE's new headquarters. The organization's Santa Barbara neighbors stopped by for a tour and enjoyed light fare and refreshing beverages from around the world.

More information on this event can be found at www.seeintl.org/events/.

About SEE International

SEE International is a global organization dedicated to ending avoidable blindness everywhere. SEE's heroic medical volunteers work in more than 40 countries every year, providing critical vision care to underserved populations, free of charge to the patient. Since 1974, SEE has examined more than 4 million patients, and performed over half a million sight-restoring surgeries.
